

## FILM ANAGRAMS. A QUIZ FROM MADELEY & DISTRICT U3A

Work out the title of the film from the anagram, the year of release and the genre.

(Note: when I tested the original version on friends using just the anagrams they found it very hard, so have added the year and genre as extra clues to make it a bit easier. It's still pretty tough though, so if you get over 35/50 that would be impressive!)

Many popular film titles proved too challenging for us to devise anagrams. We will be mightily impressed if you can devise them for Casablanca, The Big Country, The Bridge on the River Kwai, Blazing Saddles, Dr. Zhivago, Citizen Kane, Whisky Galore, Lawrence of Arabia, The Full Monty, Annie Hall, A Fish Called Wanda..... and lots of other really awkward ones we attempted and failed on!
