Any questions contact us on: info@seaham.gov.uk or 0191 581 8034

Our Marine World

The Treasure of Seaham Coast

In 2022 Seaham Town Council passed a motion to protect our ocean, a motion that recognised the urgent need for Ocean Recovery <https://seaham.gov.uk/index.php/motion-for-the-ocean>. This art exhibition is aimed at raising awareness of our pledge and the need to care for our oceans and coast.

We would like your works to speak to us about what the marine world means to you. As the treasure of Seaham's Coast, how does it influence you, how do you engage with it, do you want to protect it, eat from it, immerse yourself in it, play with it.

Submission forms are available at the Town Hall, online at the Seaham Town Council website and Facebook pages. Also at the EDAN Gallery at the bottom of Church Street and The Little Refill Shop on Adelaide Row.

Unless by prior arrangement, delivery of your submission form and finished piece should be to Seaham Town Hall on:

Thursday, 19th October 12:00-19:00

Address: Seaham Town Hall, Stockton Road, Seaham, SR7 0HP.
