

NORTHUMBRIA REGIONAL u3a

AI FOR BEGINNERS - ZOOM TALK

Tuesday March 25th 2025 3pm-4pm

Barry Claydon and Alan Freeland are members of the u3a National Team of AI experts and advisors. Together they will be talking about Artificial Intelligence and showing us how we can use it on our own devices. There will also be a question & answer session.

If you are interested in joining this talk on ZOOM, please email Bob Pullen for more information and details at:
