

The Regional Event Team in association with Dr. David Petts of Durham University

"New light on Lindisfarne: Reflections on ten seasons of fieldwork on Holy Island"

This year saw the completion of the fieldwork component of the first major excavations on the early medieval monastery of Lindisfarne, a site closely associated with St Cuthbert and the Lindisfarne Gospels. This talk by the project director, Dr David Petts takes stock of what the project has discovered so far, and explores what further questions might be answered as the project moves into a new phase of lab work.

Dr. David Petts will give a presentation about the above to all u3a members via Zoom.

Date: Tuesday 9th December at 10.30

If you would like to attend please contact Cecilia Coulson cecu3a@gmail.com

Your interest will be noted and you will be contacted about a week before the event with a Zoom Link.
